Dear Debra Chima:

The Illinois Association of Minorities in Government (IAMG) would like to personally thank you for participating in this year's conference. Each year, IAMG takes pride in offering conference participants opportunities of personal development through the dissemination of information and presentations.

Hence, your involvement and presentation on *The Power of Influence: The Secret Ingredient To Creating The Change You Desire* was extremely beneficial and thought provoking for participants and was well received.

To this end, we are committed to the personal development of our membership and this year's Conference was a huge success due in part to your participation and we certainly look forward to working with you in the future.

Again, thank you and information about next year's conference is forthcoming.

Sincerely,

Brenda Myers  
Conference Chair
